

# Bookkeeping Pricing Guide

This is a guide that you can use to figure out approximate pricing for our bookkeeping plans. Our bookkeeping plans are fixed price. All of our plans include the following:

- Access to a dedicated account manager
- Access to a CPA for general accounting advice
- Subscription to a receipt management system
- 50% off a basic tax return at year-end
- HST/GST yearly sales tax filing
- Monthly bank reconciliation
- Basic financial reports

This is only meant to be used as a guideline. Actual monthly pricing quotes is assessed during your free consultation meeting with us.

## Basic

---

This plan is for freelancers, solopreneurs, businesses that have not yet launched productions, corporations that have no employees, holding co.

This plan is right for you if:

- Have less than 200 transactions and only a handful of invoices per month
- Have no employees or less than 5 contractors

## Plus

---

This plan is for small organizations with a handful of employees or a team of contractors, small e-commerce retailers, retailers with POS

This plan is right for you if:

- Have a few employees onboard or need foreign exchange support or need support tagging business lines
- Use a POS system or have more than 200 transactions per month

## Premium

---

This plan is for small organizations that have a full team or hold inventory or need more frequent support eg. coffee shop, tech start-up

This plan is right for you if:

- You have more than a handful of employees and need payroll support or you need support with accounts receivable/payable or supplier reconciliation support or PO tracking or expense reporting

## Bespoke

---

If your operations is bigger and more complex than a coffee shop, we will create a bespoke quote for you.

This plan is right for you if:

- You need additional services that require more than bi-weekly touchpoints, budgeting, forecasting, cashflow management, specific internal procedures, complex invoicing support
